Instructions to Reviewers:

1. All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a security order recommendation.
2. The attached copy of the application, any copies made therefrom and this form must be returned to the PTO once a recommendation not to impose security has been made or a security order has been rescinded.

Time for Completion of Review:

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a security order.

The USPTO publishes patent applications at least 18 months from the earliest effective filing date. The USPTO will not publish the publication of an application made available to a defense agency under 35 USC 181 until no later than 6 months from the expiration of 90 days from the date of referral to the agency. This application will not be eligible for publication to the public until 18 months from the filing date or 90 days from the date of referral to the agency, whichever is later. Unless a response is provided to the USPTO regarding this recommendation as to the imposition of a security order.
